Take Charge of Your Health Care and Your End-of-Life Wishes

Saturday, April 18th 2020
10 am to noon

Paso Robles Senior Center
270 Scott Street

Join SLO Village to learn how you can put yourself in the driver's seat to get safer health care and make your end-of-life wishes known through an Advance Health Care Directive.

Susan Robinson, M.D. and Linda Beck, BCPA, will present straight-forward strategies for older adults and their loved ones to take control of these critical elements of late life.

The program is free, but reservations are required; please go to slovillage.org or call 805.242.6440.

RSVP

SLO Village is a nonprofit 501(c)(3) membership organization for people 60+ that creates community for a better experience of aging. Members live in their own homes and receive support from volunteers to sustain their independence. Members and volunteers come together as peers to create a purposeful and powerful space for living and learning as they take on the future.
